**A program in Honor of Randy Okrzesik**

Join us for this free Boys & Girls Basketball and Sportsmanship Camp! A two-day experience designed for 5th–8th grade student-athletes to sharpen their basketball fundamentals through skill development, competitive drills, and game play while learning the value of teamwork, respect, and positive leadership. The camp will emphasize character, accountability, and sportsmanship just as much as scoring and defense, encouraging athletes to compete with integrity and confidence while becoming positive role models for younger student-athletes.
